For more than a half century the *Guide to the Evaluation of Educational Experiences in the Armed Services* has been the standard reference work for recognizing learning acquired in military life. Since 1942, the American Council on Education has worked cooperatively with the US Department of Defense, the armed services and the US Coast Guard in helping hundreds of individuals earn academic credit for learning achieved while serving their country.

We are pleased to commend the online version of this *Guide* to you as you work with service members and veterans in helping them to integrate ACE *Guide* recommended credit into their degree programs.
