Financial Aid Payment for Enrollment in Second Mini Session

Students are allowed to register for the 2nd mini classes during the first eight days of the full 16-week fall and spring semesters. The classes in which students enroll during this period of time will qualify for financial aid if the student is otherwise eligible.

Students enrolled in the second mini session will not receive the financial aid associated with those credits until approximately four weeks after the start date of the second mini session.

Example: A student is eligible for a Federal Pell Grant of $2,822 for full time enrollment during the fall 2013 semester. The student is enrolled in six credits offered during the full and/or first mini session, both of which begin on August 16; and six credits in the second mini session, which begins on October 15.

Aid for the six credits associated with full semester or first mini session classes beginning on August 16 ($1,411) will be processed. The student will receive a check for that amount of aid, less tuition, fees, and bookstore purchases charged against pending financial aid. Excess financial aid checks will be mailed during the week of September 23.

Aid for the six credits associated with the second mini session classes beginning on October 15 ($1,411) will be processed after the start date of the second mini session and reduced by any amount still owed CFCC. A check for the remaining funds will be mailed to the student approximately four weeks later.
