High School Completion Status

Disregard if your final high school transcript is on file in the CFCC Admissions Office

Provide one of the following documents that indicate the student's high school completion status when the student will begin college in 2018–2019:

- A copy of the student's high school diploma.
- A copy of the student's final official high school transcript that shows the date when the diploma was awarded.
- A copy of the student's General Educational Development (GED) certificate, an official GED transcript that indicates the student passed the exam, or a state-authorized high school equivalent certificate.
- For students who completed secondary education in a foreign country, a copy of the "secondary school leaving certificate" or other similar document.
- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor's degree.
- ☐ For a homeschooled student from a state where state law requires the student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a copy of that credential.
- ☐ For a homeschooled student from a state where state law does not require the student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a transcript or the equivalent, signed by the student's parent or guardian, that lists the secondary school courses the student completed and includes a statement that the student successfully completed a secondary school education in a homeschool setting.
