Leave Overview for Faculty
Sick leave and faculty leave

**SICK LEAVE**

- Full-time faculty earn eight (8) hours of sick leave per month.
- Sick leave is used for medical appointments, illness of an employee or immediate family member, or death of immediate family.
- Sick leave is transferable to other NC state agencies but is not paid out when an employee leaves. CFCC accepts sick leave transfers from other NC state agencies.
- Sick leave is exhausted in multiples of an **8 hour day**.
  - Example: If you are scheduled to teach 4 classes and miss 1 class, you will be charged ¼ of an 8 hour day, or 2 hours of sick leave.

**FACULTY LEAVE**

- Faculty are generally not scheduled to be on campus when classes are not in session.
- Full-time faculty earn one day of faculty leave per fall and spring semester.
- Faculty leave can be used for personal business that cannot be attended to outside the normal work day.
- Faculty leave does not accumulate and does not carry-over year to year.
- You may use Faculty Leave in partial increments.

See the handbook for the detailed leave exhaustion policy for faculty.
The Handbook outlines other types of leave, such as School, Educational, Military, Civil and Shared Leave, as well as leave under the Family and Medical Leave Act.
