From this page select **Choose an EBSCO database**

From the **EBSCOhost** list of Databases choose the one(s) that best suits your research needs. For example, **Academic Search Premier** and **Master File Premier** would be good database choices for most topics. You may check as many databases as you need to perform a multiple database search. Click Continue.

Be sure to check the Full Text box to give you immediate access to articles.
Option: If you need Scholarly (Peer Reviewed) Journals check the box below.
