## 12<sup>th</sup> Annual Boat Show

July 23, 2011 from 9:30 a.m. - 4:30 p.m.

### About the Show

This year marks the 12th annual Cape Fear Community College Boat Show on July 23, 2011. Presented by the CFCC Boat Building program, the show serves as an annual celebration of the craft of boat building and to raise scholarship funds for students in CFCC's boat building programs.

Held on the banks of the Cape Fear River in downtown Wilmington, CFCC's boat show attracts thousands of visitors every year.

The event will feature a wide variety of wooden and fiberglass boats, including kayaks, skiffs, and boats from the Simmons Sea Skiff Club. Professional boat builders and boating supply companies are also encouraged to exhibit their products.

Students in CFCC's two boat building programs will exhibit their own work in wooden and fiberglass boat building. CFCC's boat building shops will be open for self-guided tours.
