The North Carolina Career and College Promise at Cape Fear Community College

College Pathway: Carpentry Pathway

The Carpentry curriculum is designed to train students to construct residential structures using standard building materials and hand and power tools. Carpentry skills and a general knowledge of residential construction will also be taught. Course work includes footings and foundations, framing, interior and exterior trim, cabinetry, blueprint reading, residential planning and estimating, and other related topics. Students will develop skills through hands-on participation.

---

### Admission & Enrollment Requirements

**Carpentry Pathway**

To be eligible for enrollment in this program, you must meet the following criteria:

1. Be a high school **junior** or **senior**;
2. Have a weighted **GPA of 3.0** on high school courses or **your principal’s approval**

**Interested?**

If you meet these qualifications, submit your completed application along with the latest version of your high school transcripts to CFCC. For more information, please see your school counselor and visit our website: [www.cfcc.edu/ccp](http://www.cfcc.edu/ccp).
