IT Information Technology (C25590AP)

This pathway offers students the ability to become familiar with most IT areas of knowledge and skill, but not too specialized. Graduates would be ready for work as help desk technicians, network technicians, software application technicians, and overall IT generalists. All tracks contain the core courses for the Information Technology degree program. **Industry Certificate Paths: CompTiA A+**

---

**Admission & Enrollment Requirements**

Information Technology

To be eligible for enrollment in this program, you must meet the following criteria:
