*Eligibility may be limited for current high school students.

**YOUR FUTURE
 STARTS AT
 CAPE FEAR**

START HERE: Steps to Apply to Southeast Area Technical High School

- **Complete SEA-Tech Application:** Rising 9th and transfer applications will be available on the SEA-Tech website in the fall of each year.
- **Participate in middle school visits:** SEA-Tech students and staff will visit all New Hanover County middle schools and meet with rising 9th graders during the fall.
- **Attend Parent Information Session:** A Parent Night will be hosted to share information and answer questions.
- **Visit our campus:** We would love for you to schedule a tour of SEA-Tech. Accepted students will get a shadow day to tour the school and meet our students, teachers, and staff. Learn more at nhcs.net/seatech.

FINISH HERE!

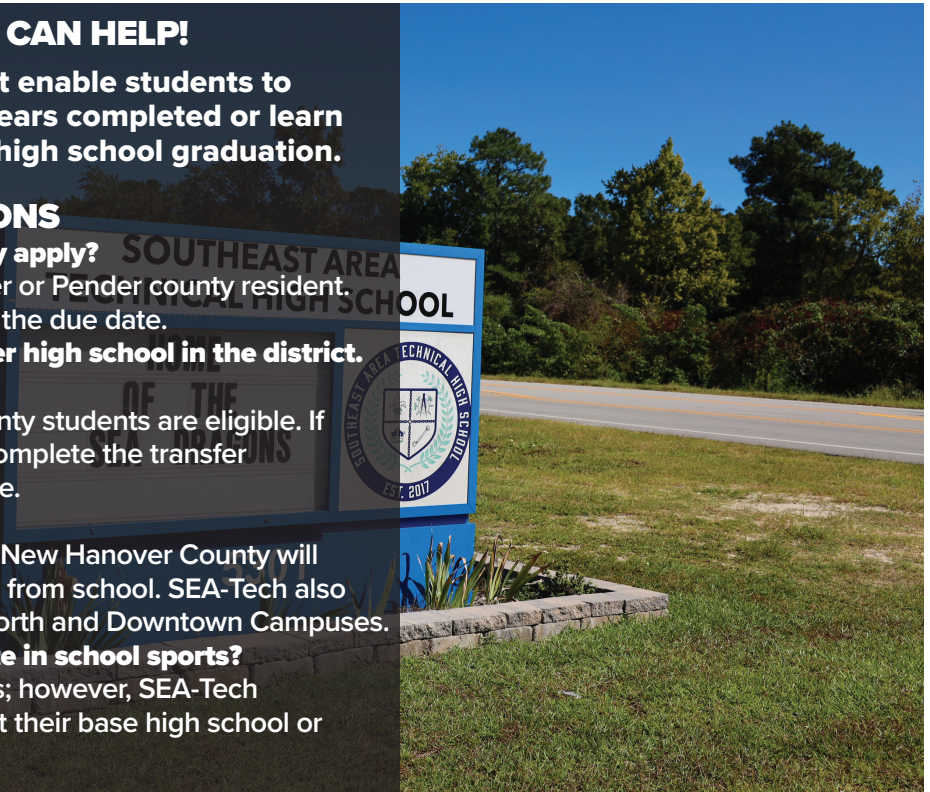

We invite all New Hanover and Pender county students to consider applying to Southeast Area Technical High School.

INVEST IN YOUR FUTURE. WE CAN HELP!

CFCC offers degree programs that enable students to transfer to universities with two years completed or learn skills to enter the workforce post high school graduation.

FREQUENTLY ASKED QUESTIONS

- **My child is home-schooled. Can they apply?**
Yes, as long as you are a New Hanover or Pender county resident. All applications must be submitted by the due date.
- **My child is already attending another high school in the district. Can they apply?**
Yes, all New Hanover and Pender county students are eligible. If your child is in 9th-11th grade, please complete the transfer application and submit by the due date.
- **Is bus transportation provided?**
Yes, SEA-Tech students who reside in New Hanover County will be provided bus transportation to and from school. SEA-Tech also provides a shuttle bus between the North and Downtown Campuses.
- **Can my SEA-Tech student participate in school sports?**
SEA-Tech does not have school sports; however, SEA-Tech students may participate in athletics at their base high school or Laney High School.

BENEFITS OF COOPERATIVE INNOVATIVE HIGH SCHOOL

- Earn a degree, diploma or certificate while in high school
- It's FREE—All tuition costs, fees, and textbooks are provided
- You'll save time
- Small class sizes
- Transportation is provided to North and Downtown Campuses
- Community Service opportunities
- College tours, clubs and extracurricular activities
