Drawing FUNdamentals

Summer Camp at Cape Fear Community College

Improve your drawing skills using a variety of materials and FUNdamental techniques!

Drawing is not only an effective way to utilize imagination and creativity, but also a great overall learning tool. Drawing promotes observation and visual analysis, improves concentration and helps students develop fine motor skills. Recent studies have even shown that drawing helps provide a deeper connection with the meaning of words and concepts and therefore can promote better memory recall and learning in any subject.

In this 16-hour camp, your student will learn to draw from observation and develop their technical skills, while utilizing a wide array of professional drawing materials and media such as pencils, charcoal, oil pastels and chalk pastels.

Students will learn about fundamental principles such as line, shape, form, color, composition and perspective. They will also learn essential techniques such as drawing value and gradation scales, drawing from 1 & 2 point perspective, hatching, cross-hatching and stippling.

This camp is perfect for a beginning art student or someone who wants to continue to expand on their current abilities.

Camp Curriculum

Day 1: Learn about a variety of professional art materials, including pencils, charcoal, oil pastels and chalk pastels. Practice contour line drawings.

Day 2: Shape, form, movement and recognizing the components of a solid composition. Plus, a fun surprise activity!

Day 3: Learn to create buildings on paper. Practice 1- and 2-point perspective, hatching, cross hatching and stippling.

Day 4: Grid drawings. Learn an easy way to reproduce or enlarge an image that you want to draw or paint. You will be so impressed with yourself when you learn this technique!

Supplies Needed

Your child should bring the following items to camp each day:
- Tombow 51523 MONO Drawing Pencil Set, Assorted Degrees, 12-Pack. Professional Quality Graphite Pencil Set with Eraser and Sharpener, approximately $14.00 on Amazon.com
- Art Alternatives Artist Tote Sketchboard 13 Inch x 17 Inch, approximately $12.00 on Amazon.com

Dress Code & Safety Precautions

Students should wear clothes and closed-toed shoes that they don’t mind getting paint on.

PLEASE NOTE: Safety is our priority. Campers must be willing to follow instructions and behave properly in the classroom. Inappropriate horseplay or refusal to follow safety instructions will not be permitted. You should assess your child’s maturity, attention span, and reasoning skills before you register.

Snack Break

Please pack a daily snack and drink for your child. Please notify us at the time of registration if there are known food allergies, intolerances or health issues of which camp staff should be aware.

If you have also registered your child for an additional morning or afternoon camp session, you will need to include additional lunch, snack and drink(s). Please pack any perishables on ice.

About Your Instructor

Nicole Wilkinson graduated from Longwood University with a Bachelor of Fine Arts in Fine Craft, specializing in stained glass & jewelry, then later received a Master of Arts from New York University. While in New York City, she enjoyed working for three prestigious art institutions - the Museum of Modern Art (MoMA), the Metropolitan Museum of Art (the Met), and the Dahesh Museum. She continued on with doctoral research at the University of Georgia where she taught multicultural art education in Cuba for study abroad students and has since taught art courses at several other universities and colleges in North Carolina.
