Student Name \_\_\_\_\_  
(Please Print Clearly)

CFCC ID: \_\_\_\_\_  
(DO NOT LEAVE BLANK)

Number of Household Members: Include **ALL household members** in the chart below. The people in your parents' household should include

- The student.
- The parents (including a stepparent) even if the student doesn't live with the parents. Exclude a parent who has died or is not living in the household because of separation or divorce. Include a parent who is on active duty in the U.S. Armed Forces apart from the family
- The student's siblings if the following are true:
  - They live with the student's parents (or live apart because of college enrollment),
  - They receive more than half of their support from the student's parents, and
  - They will continue to receive more than half their support from the student's parents during the award year.
- Other persons if they now live with the parents and the parents provide more than half of the other person's support and will continue to provide more than half of their support through June 30, 2025

The provided criteria for "dependent children" or "other persons" align with the requirement that family size align with whom the parent could claim as a dependent on a U.S. tax return if the parent were to file a U.S tax return at the time of completing the 2024-2025 FAFSA. As a result, the parent should not include any unborn children in the family size.

If more space is needed, provide a separate page with the student's name and ID number and list the remaining household members.
