Have a FUN Christmas!**

Dear, Donor

Thank you so much for all that you do for all the students at CFCC. Thank you for the gift card, I'm very happy that I will be able to get both my little ones some gifts this year. I was very sad because we were going to have to break it to my kids that Santa was not coming this year. We have been going through a lot right now our AC broke and we had to replace the whole unit and then our water heater went down on us as well it's been so hard for us money wise. Thank you so much again we really appreciate the help and kids will forever be thankful!

Sincerely,

Zonia

Dear Donor,

I want you to know that this gift is greatly appreciated.

With the up cost in food, rent, or even household items, it's hard to keep your head above water. My son also thanks you for the opportunity to have a gift for the holidays. Once again we both thank you and are blessed that you chose us. Thank you,

Sam &
Caden

Dear Donor,

Thank you for selecting me! This has been the most challenging year for my family and me. I lost my only sibling, my older brother Tovar, two cousins, and one aunt. I have had a hard time finding peace this holiday season. Winning this award has brought me peace of mind as I shop for my 7-year-old son this holiday season. Programs such as these give students hope for tomorrow and encouragement to keep going. I am humbled and thankful! Thank you!

Respectfully,
Charonda

Dear Donor,

I would like to extend my greatest appreciation for your gracious holiday donation this year. As a single mother, of two girls, Christmas has always been a bit of a financial challenge which can make the holidays more stressful. Your donation has allowed me to purchase gifts for my girls and a tree (which they take very seriously and are always excited to pick out). Your generosity not only made their holiday happier but has also elevated my stress allowing me to enjoy the holidays as well.

Again, I would like to thank you very much for sharing with my family during the holiday season!

Happiest of holidays,

Chelsea

Dear Donor,

I greatly appreciate your generosity!

The holidays can be a stressful season for many, so thank you for helping relieve the financial burden. It is humbling to know my children will have gifts under the tree that I won't have to stress over. Thank you from the bottom of my heart and Happy Holidays!

With Sincere Gratitude,

Chelsea

THANK YOU!

Dear Donor,

Thank you for donating this money, it makes me happy to know that there are generous people like you in this world. This gift will help me be able to get some Christmas gifts for my daughter. We really appreciate your thoughtfulness. It will make the holidays extra Merry!

Dear Donor,

I would like to thank you so much for your donation. Me and my kids truly appreciate the help from you. We have really been struggling since I was out of work for so long. So anything is greatly appreciated. We thank God for you from the bottom of our hearts. Thank you so much and we hope you have a wonderful holiday.

Happy Holidays from my family to yours.

Dear Donor,

First of all, I just wanted to express my gratitude for your unselfish contribution that allows me the opportunity to give my daughter the Christmas that she deserves. With her being only three years old, it is hard for me to explain to her why Santa wouldn't be able to make it to our house this year. I do not feel as though she should be punished, even though these trials that we are going through right now will pay off in the future. Being a single parent is difficult within itself, but being that and less fortunate is something that I do not wish on anybody. I come from a family of hard-workers, who break their backs in order to live a comfortable life, and it pains me that I am unable to do that for the next few years.

I have no doubt that your donation will fulfill my daughter's Christmas wishes. While the majority of the money will go to her Christmas, I would like to pay your goodwill forward and keep one of my family's traditions alive. With that being said, I will pick two angels off of our tree at our Church: one for you, and one for her. While my situation is not ideal, I know that someone, somewhere, has it worse than we do. Your kindness and generosity will not go unnoticed and if it is okay with you, I would like to pray for you this holiday season. You are a blessing in disguise.

Best wishes & Happy holidays,
Alexis & Ansleigh

Dear Donors,

Thank you so much for helping my family thru the Holiday Helpers program at CFCC. The gift card will be used to help get my daughter's Christmas gifts and new winter clothes!

As a single mother every little bit helps and being a student this year has made money a little tighter than normal.

Thank you for your generosity and help this Holiday Season.

Dear donor,

Thank you so much for helping me and my family. I hope that one day I am able to be a donor myself. I am working and in school but somehow am never able to catch up just yet. I am extremely thankful to be blessed with giving my babies a smile on their faces.

Dear Donor,

Dear Donor,

Thank you so much for your generosity. I cannot express how grateful I am for the money I am receiving. I am going to Cape Fear Community Collage to become a nurse and enter into the program in January, I am not working right now because I am trying to stay on top of my schooling so I can finish on time and provide a great life for my two children (Lincoln 6, and Luna 4). I have struggled in the past trying to work, go to school, and be a present mother for my kids and it has not gone well. Donations like these are the sole reason I can finish my nursing degree and be the mother that my children deserve. So from the bottom of my heart, I thank you and so do my children.

Dear Donor,

I would like to wholeheartedly thank you for your very generous donation. It means more than you can imagine to my family and I. I've missed a lot of work here recently with my mother's recent multiple sclerosis diagnosis and without your generosity my children wouldn't be able to enjoy being children and experience the excitement and joy on Christmas morning. I cannot thank you enough for being such a blessing to us in such a time of need. God bless you. Merry Christmas.

Sincerely,
Ashley

Dear Donor,

Let me take this opportunity to thank you for the generous donation gifted by you during this holiday season. I am very touched by your care and concern towards others. Your kindness has touched my heart and I will be forever grateful.

It is your thoughtful and kind gesture that will help my little one smile a little bigger this year.

Thank you once more for making us feel special and loved. I am extremely delighted, to say the least. I truly hope you enjoy your holidays and receiving many blessings.

Thanking you once more,

Dear Donor,

I am the 35-year-old single mother of 2 young sons. Theodore is 6 and Elias is 4, and they are the brilliant, hilarious, thoughtful lights of my life. I have homeschooled them through the pandemic as a full-time student myself and maintained a 4.0 GPA. I fully recognize that this has been an especially difficult time for everyone and yet you have chosen selflessness, empathy, and generosity. This year I also separated from their father, my husband of ten years, who had been the only working parent. I was unsure what Christmas would look like, but this gift of holiday help is an unbelievable relief.

I thank you from the bottom of my heart for donating to aid the student members of our CFCC community who are also working hard to raise families at home. Please know that I am a firm believer of karma and goodwill and intend to pass this on in any way I can in the future. I will continue to work hard to set the best example and give my children the best life that I can, and you have now contributed to that. Even small gestures create ripples that reach much farther than you can imagine. I hope your holiday season is joyful and all your blessings are returned tenfold.

Best,

Dear Holiday Donors,

I am writing this to let you know that I am forever grateful for your help this Holiday Season. I know that my godsons will truly be happy little guys. I do not know what I can do to say how thankful that I am. I know that one day when I am financially stable, I will pay this great deed forward to some other family that needs help. I know that there is a great need around this time of year and finding someone to help will not be a problem for me. I pray that you are just as blessed by helping others as you have truly blessed many lives by donating to this cause. I know that God is going to see to it that your very needs are met, and you get a return on all that you do to help so many people like us. May this letter serve as a token of gratitude from us, and a receipt of your kindness. I appreciate all that you have done for us, and I know that this will be a brighter day at our house on Christmas morning. With all our thanks, love, and appreciation, we say, "Thank you from the bottom of our heart." Blessings upon you and may you forever live in God's prosperity. Numbers 6:24-26.

Forever Grateful,

Dear Donor,

You won't believe how excited I'm to have won the gift card you donated to the Holiday Helpers. This gift will help my family by putting a smile on my two children. This year my husband has had to cut back hours at work and I have had to stop working in order to focus on school to be able to graduate on time. I have been struggling with keeping my grades up but with me not working I'm able to turn my assignments in on time. Even though this decision has caused us to struggle financially to pay a bills, I know that this will change once I graduate and put my education into work. This year I will be able to get my kids a gift they have been asking for since the holiday season started. Thanks to this gift my family will have a big smile on Christmas day, and I greatly appreciate it. Thank you for your generosity to the Holiday Helpers and I hope you all have a wonderful Christmas and a Happy New Year.

Dear Donor,

I am writing to express my sincere gratitude for choosing my family as a recipient for the Holiday Helper Program at CFCC. I was very happy and so appreciative to see an email that I was selected for this scholarship. I am also so happy to receive assistance during the holidays and not have so much stress on me regarding Christmas shopping and paying bills. This year has been a tough one and I'm just thankful to receive assistance during this time.

Kind regards,

Dear Donor

Thank you for your generosity. Being a full-time student, employee and mother to a 2 and 3 year old is no easy task. My three year old is at the age where he is now asking for things, so it will be nice to be able to get him what he's asking for. My 2 year old doesn't understand Christmas yet, but loves and plays with anything. Thanks to your generosity, I'll be able to stress a little less this holiday season. Thank you once again. Happy Holidays.

To whom it may concern:

I just want to thank you for your donation to help my family this Christmas. It's been a rough few years. I lost my younger brother in 2020, skip to 2 years later, still dealing with his death. Im going to school for nursing and my husband works very hard for our family. He was just diagnosed with liver issues at 38. He has been in and out of work. So this money that you are donating is saving Christmas for one little girl. We are much appreciative of you and your kindness of giving. Thank you again so very much you've made our Christmas!!!!

Dear Donor,

Thank you so much for helping our family this Christmas season! I don't remember if I had submitted my writing before or after it happened, but I actually fractured my leg on November 5th, and didn't realize it was actually fractured until two weeks later! I went back to the doctor because it wasn't getting better & they found the fracture. So a month off my feet right before Christmas has been rough! My family feels very blessed & so appreciates any help you have given us!

We hope you & your family have a wonderful holiday season, filled with happiness, love, & blessings!

Thank you,

This gift you provided will help me thank them for being so strong and understanding. Thank you again for your helping hand and have a Merry Christmas!

Dear Donor,

First off, thank you! I currently have a one year old & I am a single mother in school with no baby sitter :(so this helped so much because without this I wouldn't have really been able to buy him anything much so this is a blessing! Someone was generous last year and I received the same gift and it helped him buy things a newborn would need. Now it will help me buy him some new toys and clothes because goodness he goes through them fast! So again thank you so much! And I hope you have an Amazing Christmas full of joy! The blessing this did for me is just our world :) !

Dear Donors,

Thank you so much for helping me and my family this holiday. I truly do not know how I was going to give my daughters anything extra other than the lights on, and a roof over their head. I know deep down that's all they really need (that and a living mother), but your pride and guilt kills you when you have to say "no" or "maybe next year". Education is already such a privilege when you're a single parent. Most days studying and then helping them study - I feel we bond and they get to see a mom who doesn't give up. This year I wanted to, until I realized there is still so much good in it. Like people like you... It gives me hope that one day (hopefully sooner than later) I can be doing this for a mom like me, and so many others who struggle. Just know you have given someone the gift of hope, and 2 girls a little bit of comfort in the darkness. I could never repay for that.

With so much love,

Haley XOXO!

Happy Holidays!!! ♡

Dear Donor,

I just want to take a moment to say thank you. Thank you to you, and to everyone who has helped make gift giving possible this year. This is a huge blessing to so many children, including my own two boys. You have no idea what this means to us. There aren't enough words to convey the gratitude I feel in my heart as a mother. This has been a tough year, but we are so thankful to have each other. I've always told my boys that we may not be "rich" with money, but we are rich with love. That rings especially true this year. From the bottom of my heart, Thank you!!!

Thank you so much for your donation. It has been a rough end of the year. The house we were renting from my grandparents went into foreclosure, because my grandma died. Dear Donors for Holiday Helpers at CFCC,

I Cannot express my thankfulness enough for the gift card to assist me with Christmas this year. It has been such a hard year for me and my family. We have experienced great loss this year with the passing of our unborn child and having to take time away from our jobs in order to grieve, as well as many sicknesses. With this money, I will be able to give my Kids the Christmas they deserve after such a hard year. My child will be so happy and thrilled this holiday Season on Christmas day. Thank you so much for all of your generous donations. I'm not sure how I would have done it this year without your help! I cannot say thank you enough from the bottom of my heart. ♥

Thank you!

Dear Donor,

I would like to show my gratitude for this Christmas miracle that you are able to do for my family this season. My daughter will be able to finally get the FM system that she needs in order to be more efficient in today's society and not struggle through life. Since my daughter has been diagnosed with a cognitive disorder and hearing loss she has continued to struggle with everyday activities and her education and her music. This will bring so much happiness to her knowing that she will no longer have to struggle in life due to her disability. Thank you so much for this little miracle that has been bestowed upon me and my daughter this Christmas for prayers do get answered and Miracles do happen. Merry

Christmas to you and your family.

Dear Donar,

Thank you so much for the generous gift that you provided my young family. I'll never be able to express to the full magnitude of how appreciative I am for this gift. I'll always look back on this Christmas with such appreciation, gratitude, and feelings of being blessed. I truly hope you have a wonderful holiday season as well. Again, Thank you.

Sincerely,

Laura

Dear Donor,

I am so grateful to learn I was selected as a recipient of holiday helper assistance. I am writing to thank you for your generous support.

I am enrolled in the Business Administration, A.A.S. program at CFCC. I am an older student who didn't finish her degree due to a number of factors in my early and mid-twenties. I was a single mother for many years and currently have full custody of my daughter from a previous marriage as well as my son with my current husband. I don't receive any child support outside of splitting her health insurance coverage costs. Due to the astronomical price of clothes, food, housing etc these days, money has been very, very tight. This gift will greatly reduce the financial strain of the holidays for me and my family.

My family does not have a lot of resources to support me on my educational path, so I work full time and do my schoolwork in the evenings and on my lunch breaks. I know re-enrolling in college is the right decision and will put me on the right path to better opportunities as well as setting an example for my children.

I would like to thank you again for your generosity and support.

Sincerely,

Dear Donor,

I am writing this letter to express my sincere gratitude and appreciation to you for supporting my son and I this holiday season. After losing my son's father suddenly in September, it has been a huge adjustment for me as a newly single parent attending sonography school and trying to support my two-year old. I have had so much on my plate these past few months, so it is a huge blessing to find out that I was selected as a recipient for this financial support. I was just trying to rack my brain today on how I could budget my much smaller paychecks in order to buy the rest of Kingsley's Christmas presents while I still have to pay for next semester's textbooks, my registry exam fees, and just bills in general, now that I no longer have support from his father. This gift means so much to me and it came at the perfect time.

I look forward to the day that I will be in a position where I can pay it forward to others, just like you have done for my son and I. Thank you so much for your support and kindness, and I hope you have an amazing holiday season!

Dear Donor:

From the bottom of my heart, I want to thank you! I find it hard to ask for help at times, but because of people like you, many people, including me, can continue to have faith in others. My family and I would like to thank you for helping us in our time of need. Thanks to you, my husband and I can get our kids the things they want and need. We want nothing more in this world but to see our boys happy and excited. Thanks to you, we are blessed and thankful that we will see our kids light up upon receiving their gifts. We truly appreciate your generosity, and we promise that once we pass this challenging time, we will also pass it along and help others in need. We also want to make someone's holidays as special as you have made ours. Again, thank you very much! Keep being as extraordinary as you are!

Dear Donor,

Thank you so much for your generosity in helping not only mine but other people's family out during the holiday season. I am extremely grateful that there are people in this world like you. I am so grateful for your help this holiday season! Your help will help me to provide an amazing and magical Christmas morning for my two year old daughter. I can not wait to see the smile on her face and the sparkle in her eyes. With my daughter, Evelyn, being 2½ for Christmas this year and has started to understand "Santa", but also the real reason for the season. Receiving this assistance has relieved my heart and mind knowing she will have a few presents to open for this holiday and I could never thank you enough! My situation has been harder this year than ever. I am a high-risk pregnant mother and being able to make the "extra" for Evelyn's Christmas this year. I appreciate your heart and your giving spirit to assist me. Thank you again from the bottom of my heart. I hope you can mentally picture her smile and happiness made possible

by you!

Thank you so incredibly much!

Sincerely,

Mariah

Dear Donor,

This year has once again been made to be a complete christmas for my kids all thanks to you. With the rising prices of everything, gift giving was slim-pickin' for most. Your generosity is a blessing to all who receive. I, personally, have had a tough semester this year, stressing over my classes, that I was reminded yesterday upon opening the email, that all is well, this too shall pass, and the Season of giving is upon us.

I appreciate, truly, so much, this blessing. The money will go towards my kids, my mom + dad, my sisters, and if there's any left, the doggo's will get some special treats. :)

My hope is your Christmas season is just as blessed and wonderful as you are. This means so much.

Thank you,

Megan

Dear Donor,

Thank you so much for donating and helping families have a great Christmas. Times are getting harder but it's things like this that let's us know there are still good people in the world. Because of people like you children will get to wake up on Christmas morning with a smile on their face and parents like me won't have to stress as much to make ends meet. I appreciate it from the bottom of my heart. ♥

Dear Donor,

I would like to thank you for your generous donation. You do not realize how much of an impact that this has on our family. You have gone above and beyond this season. May this come back to you tenfold.

Your generous donation goes beyond just giving, it helps us in a situation which seemed bleak. It will help getting gifts for our daughters we thought we weren't able to get. This will help in a most fantastic way.

May this find you blessed and happy!

With the sincerest Thank you,

Ross.

Dear Donor,

Thank you for your kind generosity this holiday season. Originally when I filled out this application it was going to help with Christmas. That was until this weekend when my husband was in a serious motorcycle accident so now your generosity is literally saving our Christmas.

It is because of people like you that I know there are still good people in this world. Your kind heart does not go unnoticed. From the bottom of my heart and my family's, thank you.

May someone bless you this holiday season like you have blessed my family.

Thank you does not cover how much this means to us.

Kindly,

Sydhie

Greetings,

My Family and I would like to thank you for the donations. My main goal has been to provide my family with better.

My wife stays home with both of our children, due to daycare cost. So I am the main breadwinner and I wouldn't want it any other way. Seeing my family smile is what keeps me going. This holiday is tough through the rising cost of everything. But with this gift you have blessed us with, will go a long way.

Thank you
