

Students with Disabilities

Cape Fear Community College is committed to providing support to students with disabilities and works with all areas of the college to ensure that programs, facilities, and activities are accessible to all students.

As a new employee at CFCC, it's important to become aware of your responsibilities in ensuring access to students with disabilities.

Students needing accommodations should be referred to the Disability Support Services (DSS) office (Union Station 218, dss@cfcc.edu, 910.362.7800).

Please take time to review the Faculty/Staff training module. This module contains important information on student referrals, accommodations, and creating accessible online content, as well as other important information. The faculty/staff module can be located by visiting the Disability Support Services (DSS) website (see image of webpage) or by using the URL address below:

The screenshot shows the Disability Support Services (DSS) website. At the top, there is a navigation bar with a home icon, 'Home', 'Services & Support', and 'Disability Support Services'. Below this is a large image of a smiling woman wearing glasses and a headset, looking at a laptop. To the right of the image is a 'QUICK INFORMATION' section with links: 'Disability Support Services', 'Documentation Requirements', 'Our Services', 'Accessible Parking', and 'Contact Us'. Below the image is a breadcrumb trail: 'Home / Services & Support / Disability Support Services'. The main heading is 'DISABILITY SUPPORT SERVICES' in blue, followed by the subtitle 'Accessibility and assistance for all students.' Below this is a paragraph describing the DSS mission. At the bottom, there is a paragraph about student referrals and a link to schedule an appointment. On the right side, there is a navigation menu with a search icon. The menu items are: 'Current Students', 'Prospective Students', 'Faculty & Staff' (highlighted with a red arrow), 'Accommodated Testing for Faculty', 'Attendance Leniency Accommodation', 'Evacuation Procedures', 'Sign Language Interpreting Services', 'Accessible Online Programs and Resources', and 'Faculty/Staff Training Module' (highlighted with a red arrow).
