COURSE DESCRIPTION

- Truck Driver Training is designed to prepare individuals to drive tractor-trailers. This program teaches proper driving procedures, safe driver responsibility, commercial motor vehicle laws and regulations, and the basic principles and practices for operating commercial vehicles.
- The coursework includes motor vehicle laws and regulations, map reading, vehicle maintenance, safety procedures, daily logs, defensive driving, freight handling, security, and fire protection. Highway driving, training range exercises, and classroom lectures are used to develop the student’s knowledge and skills.
- Graduates of the curriculum are qualified to take the Commercial Driver’s License Exam and gain employment with commercial trucking firms. They may also become owner-operators and work as private contract haulers.
- Our goal is to prepare students for job entry, advancement and independence with emphasis placed on:
  - Motor Carriers Safety Regulations
  - Safety Inspections
  - Vehicle Maintenance
  - Range Maneuvers
  - Defensive Driving
  - Over-the-Road Driving
  - Hours of Service
  - Trip Planning
  - Cargo Handling

- Day and evening classes are offered. The day class runs 6.5 weeks and the evening class runs 10 weeks. Inclement weather may affect the daily schedule.
- The Truck Driver Training day class is 256 hours total and the evening class is 250 hours total. Classroom hours for day class are 56 hours and road/range hours are 200 hours. Classroom hours for evening class is 50 hours and road/range hours is 200 hours.
