Cape Fear Community

College Firefighter Academy

Medical Examination/Physical Information

The following information details necessary steps to get your complete physical examination that is required for final acceptance into the Firefighter Academy. *(If you have had a fire department physical (complies with NFPA 1582 Standard) within the last twelve months, you may be exempt from this physical.) You will be required to submit a copy of the "Fit for Duty" to Mike Cross @ mwcross062@mail.cfcc.eduor drop them by his office at the Safety Training Center Room 105B.*

Note: Applicant should have received contingent acceptance into the academy before scheduling physical exam.

Steps for Setting up Physical: -- *do not schedule prior to contingent acceptance notification from Cape Fear Community College.*

1) Call Medac or Wilmington Health Corporate. This physical requires fasting so be sure not to eat after midnight on the evening prior to your physical.

Medac Corporate Health	Wilmington Health
