

SUMMER LEADERSHIP SERIES

This is a great opportunity to get the NFA Leadership in Supervision or New Fire Chief class or classes you need!

NFA Leadership in Supervision Series

Instructor: Greg Fix, Battalion Chief, Wilmington Fire Department

This series presents the fire and emergency medical services (EMS) supervisor with the basic leadership skills and tools needed to perform effectively in the fire and EMS environment, to successfully transition to supervisory and leadership roles, and establish a conceptual foundation and framework for success in leadership roles by exploring creative, analytical, political and critical thinking perspectives.

Creating Environments for Professional Growth This two-day course presents the supervisor with the basic leadership skills and tools needed to perform effectively in the fire and EMS environment. The course includes concepts related to a successful transition to supervisory and leadership roles, including concepts of adaptive leadership; change management; active followership; effective communication, including difficult conversations and advocacy-inquiry based dialogue; ethics; authority; power; decision-making; and active engagement through development of a personal plan.

July 2 & 3 8:00am to 5:00pm
