

## Step 1) Sign Up for WhichWay

*New WhichWay users are required to complete a simple, one-time registration process. Once completed, only the username and password are required for future visits.*

### Register Your Account

1. Go to <https://whichway.org/register/3234> or scan the QR Code >>>
2. Enter your @mail.cfcc.edu email address
  - a. NOTE: you must use an email address with @mail.cfcc.edu in order to successfully register
3. Enter your name and your CFCC Student ID number
4. Review and accept the WhichWay Terms of Service and click **Send Verification Code**

An email will be sent to validate you as the user. Open your email inbox and click the link to make it official. If you don't see the email, please check your spam folder.

### Verify Your Email Address

1. Click the verification link in the email
2. Choose a username
  - a. The system will suggest one or you can create your own
3. Create a password
4. Click the **Let's Get Started!** Play button to access all available modules

## Step 2) Blackboard Reflection

Complete one module of your choosing and write a reflection paper about the activities you finished. In the reflection, make sure to answer the following questions:

- Which module on WhichWay did you choose?
- Why did you choose this module?
- Describe the tasks that you completed.
- What did you learn?
- What do you believe are the biggest financial challenges faced by college students today?

### **Need Help?**

For questions about the assignment and CFCC's use of WhichWay, email [successteam@cfcc.edu](mailto:successteam@cfcc.edu) or stop by U-253.

If you need technical support while using WhichWay, click the **Support** button either in the upper right-hand or bottom right-hand corner. Alternatively, you may email [servicedesk@whichway.org](mailto:servicedesk@whichway.org).
