

25–26 Cost of Attendance

2025–26 Financial Aid Cost of Attendance estimates are used to determine financial aid eligibility only and do not represent actual student expenses. Expenses vary based on individual circumstances, including housing, food, books, supplies, transportation, and other costs. Most students pay less than the full cost of attendance once financial aid is applied.

9 Month Budget Living With Parents		
	In-State	Out-of-State
